PHOTOGRAPHER
AND VIDEOMAKER

BIO

I am a **freelance photographer and all-round videomaker** since 2013.

After graduating in Modern Literature I continued my studies at **IED**, Istituto Europeo di Design, in Rome and at the **School of Visual Art in New York**. I mastered my skills attending an annual course at **Scuola Romana di fotografia e cinema**.

I mainly work as a freelancer in **Interior Design Photography** for companies and websites, alongside interior designers and art directors, both in Italy and abroad.

I have won international awards and I have published my works on magazines such as **AD Architectural Digest, Wallpaper, Elle Decor, Grey Magazine**, Domus and Gambero Rosso.

SERVICES

As a freelance photographer and all-round videomaker **I run photo shoots and advertising videos.**

When it comes to running a **professional shoot**, extra care to the set is needed – before and after the shoot. That is why I also take care of **styling** and **post-production** phases.
